PRESIDENT'S MESSAGE

Our next Chapter 682 membership meeting is scheduled for February 14, 2022 at 10:30 am at the Brittingham-Midtown Community Center, 570 McLawhorne Drive, Newport News, VA. A representative from the Virginia Senior Medicare Patrol (SMP) whose goal is to stop health care fraud in its tracks will give presentation. I'm sure we will hear some surprising examples.

Arrangements are being made for our March 14, 2022 membership meeting to include luncheon at The Arbors facility in Port Warwick starting at noon. Further details will be given at next week's membership meeting. Please let VP Linda Sanders at 369-0307 know if you plan to attend by March 7, 2022.

Membership Meeting Notes – Next Month

Miles of Pennies by Marie Collins

Attendance at our first Chapter 682 2022 meeting may have been small on January 10, but that did not deter our loyal pavers from tossing pennies at our 38th mile! Five 682 members donated pennies to pave our 38th mile to 112 yards beyond 2/3 mile. You read it correctly! Those few tossed handfuls of pennies have put us close to completing the 38th mile – will we do it at our next meeting? Bring your pennies to our Valentine Day meeting, February 14th. Come to win a Valentine's Day prize!

One in three Seniors dies of Alzheimer's or other dementias. More than six million Americans are living with Alzheimer's. Between 2000 and 2019, deaths from this disease increased 145%. We are supporting important research.
